HELLO!

The South Shore Career Centers, located in Quincy & Plymouth, and CareerWorks of Brockton have partnered with our friends at Wicked Local Media Solutions (The Patriot Ledger/The Enterprise) and Monster.com to host a Collaborative Career Fair!

Thursday, May 18th 2017, 1:00pm to 4:00pm

Lombardo's in Randolph

6 Billings St, Randolph, MA 02368

At this event, a *hand-out is given to job seekers that allows them to "Meet the Companies" by listing the names of all participating exhibitors, as well as a brief "About" description for each. While registration to participate & payment reserve you a table and offer a seven-line Help Wanted Ad, it will not guarantee your company to be listed in the hand-out, **unless you register by May 4th, (the print deadline).**
Don't be left off the list—register today!

**Want to know what you won't miss out on when you participate?
Here are the stats from our last 2 Collaborative Career Fairs:**

May 2016 Event: 73 Exhibitors, 500+ job seekers attended

October 2016 Event: 80 Exhibitors, 700+ job seekers attended
